*A game is something that people do for fun. It is different from work. In some games, you can play alone. In other games, you need to play with or against other people. That is why many sports are games. There are many other kinds of games too. For example, there are video games, board games and so on. Some games use different kinds of equipment but others do not need any. Games are popular with children. Kids learn and develop when they play games. Still, adults need to play games too. It helps them to relax.*
